

DON'T TURN A BLIND EYE

***YOU CAN PREVENT A CHILD FROM EVER
NEEDING A GUIDE DOG LIKE WINNIE.....***

***THERE
IS NO
EXCUSE***

Owning a Dog comes with responsibilities and although the majority of Dog owners who walk their dogs in the Marton area clean up after their dogs, sadly there still remains those irresponsible Dog Owners who don't see the need to clean up after their Dog so for these people did you know that **TOXOCARA CANIS**: Toxocaraiasis is the disease caused by roundworm eggs, found in dog faeces, which may potentially result in eye problems or blindness. Children are particularly at risk. Approximately 100 people are diagnosed in the UK each year with this tragic illness, which is completely preventable. **DON'T TURN A BLIND EYE TO THE PROBLEM OF DOG POO!!!!**

It is an offense to not clean up after your dog. Lancashire constabulary and the Blackpool Dog Wardens are doing something about it. They know the problem areas and they are working to help clean up Marton.

If you know of a dog owner who is failing to clean up after their dog, or know an area where dog mess is a problem, call the dog warden on 01253 477477 or speak to your local PCSO on 01253 604151. With your help we can enjoy a cleaner and safer Marton.
